

END USER CERTIFICATION STATEMENT

In order to purchase Meridian Medical Technologies' Homeland Security Pharmaceutical Auto-Injectors and Training Simulators, a signed copy of this statement is required with your purchase.

***IMPORTANT:** Auto-Injector drug delivery systems are subject to the International Traffic in Arms Regulations (ITAR) and may not be exported or otherwise removed from the United States of America without prior written authorization from the U.S. Department of State.*

End User Certification Statement:

"We certify that the items purchased will be used by:

[name of organization, end user]

The material will not be sold to a third party, distributed or used for any other purpose."
